

### DESCRIPTION:

You will use your body, voice, and gestures like an actor does. Let's express **growing adjectives** through a drama with **Tableau**, a frozen picture. Grab your friends and family and get ready to have some fun!

### RECOMMENDED AGE(S):

8-12 year olds

### TIME TO COMPLETE:

15-30 minutes

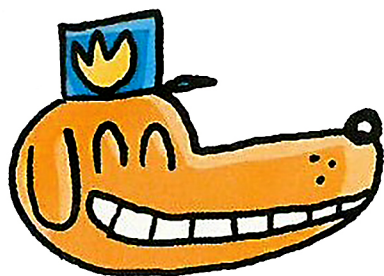

### MATERIALS NEEDED:

▶ Your body and imagination

### WHAT YOU DO:

1. Think of 3 words or emotions that can grow such as: big, bigger biggest or happy, happier or SUPA happy (like Dogman).
2. You will now make 3 frozen pictures or Tableaus. For example, think of your first emotion or word and how you would display it with your body and face to create your first tableau.
3. For the next tableau think about how you could show it with even Bigger or More emotion and expression.
4. Finally use all your energy to create the Biggest and Most emotion and expression for your emotion.
5. Share your frozen pictures with your friends or family.
